He aha te mea nui o te ao
He tāngata, he tāngata, he tāngata

*What is the most important thing in the world?*
*It is people, it is people, it is people*
Human Health – Secondary Contact

Hodson et. al. (2017)
New River Estuary
Southland Science Programme

Southland Economic Project

Land Use Inputs
What happens on the land

Fluxes & Flows
How water & contaminants move, above & below ground

Ecosystem Response
How plant & animal life responds, in estuaries, lakes & rivers

Physiographic Units
Why does water quality vary across Southland?

Improved community engagement and resource management
Characterisation
Collaboration
Co-development
Co-development
