

New Zealand Transport Agency

Working in partnership with local government

Local Government New Zealand

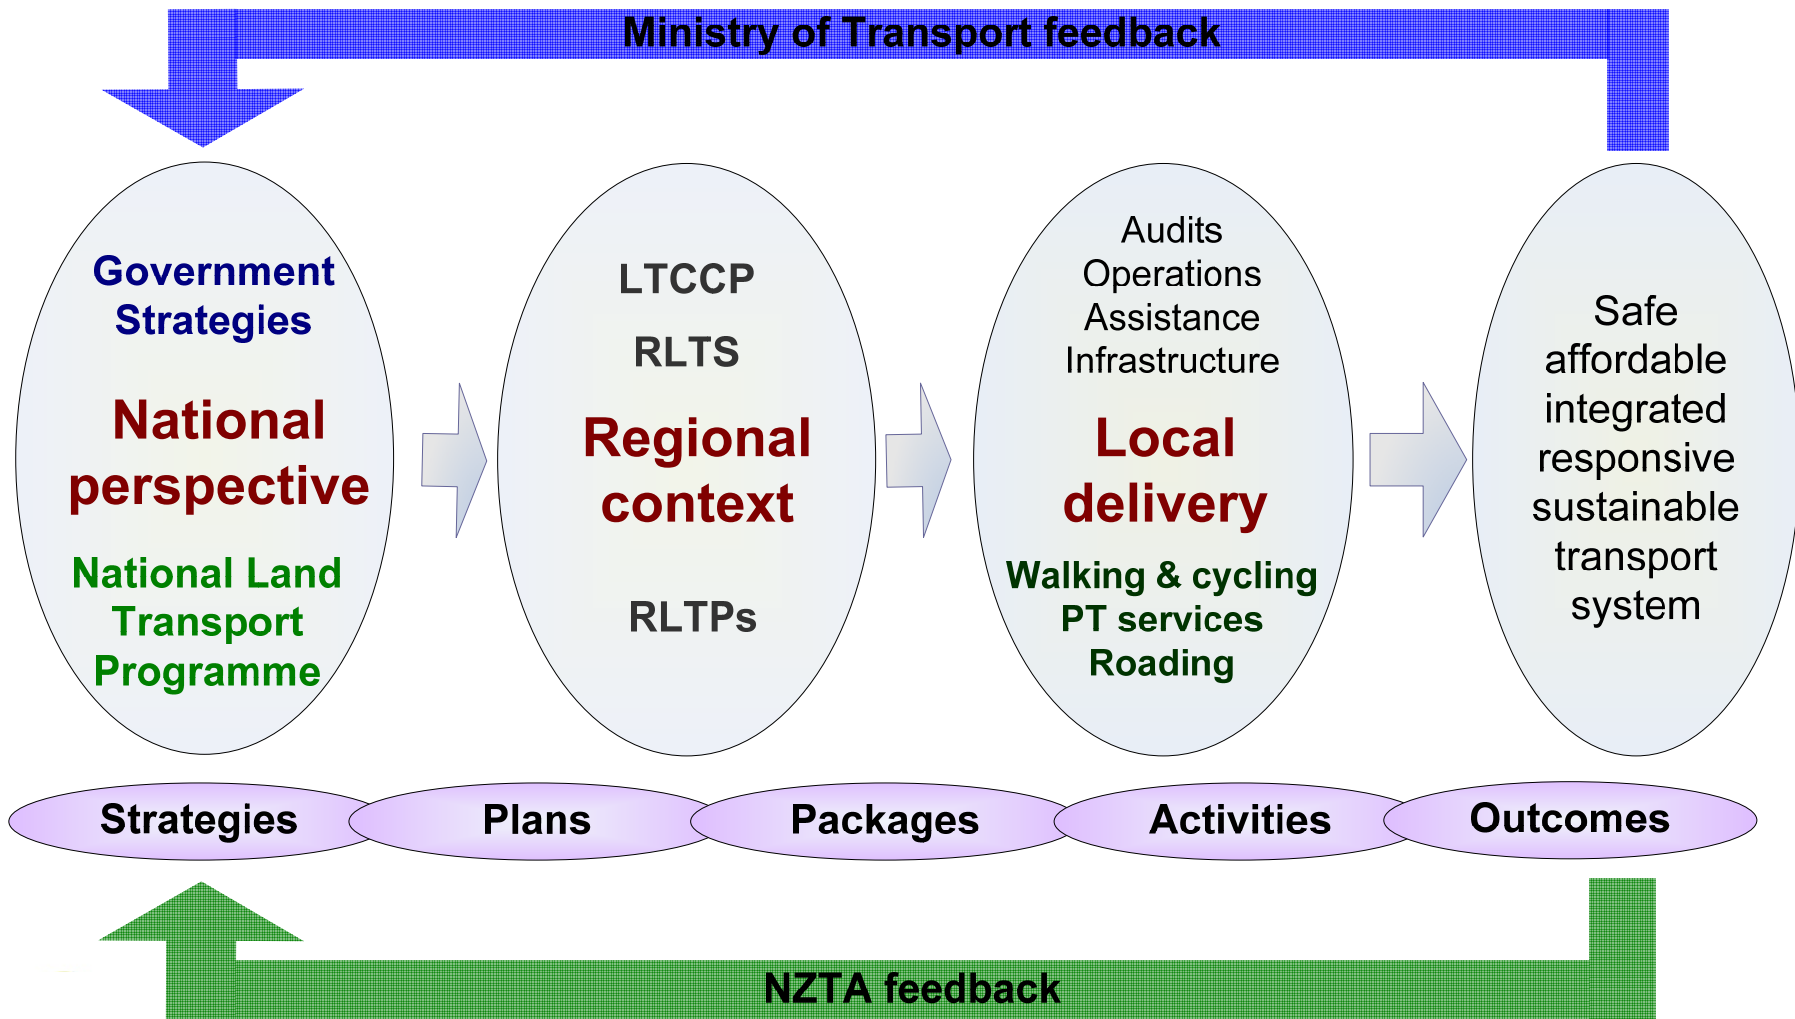

29 August 2008

Geoff Dangerfield (Chief Executive designate, NZ Transport Agency)

An important juncture in NZ transport

NZTA interaction with the transport system

New NZTA regions and Regional Directors

Priorities for NZTA in 2008/09

1. Modal shift
2. Safer travel
3. Streamline the funding process
4. Value for money
5. Building stronger partnerships

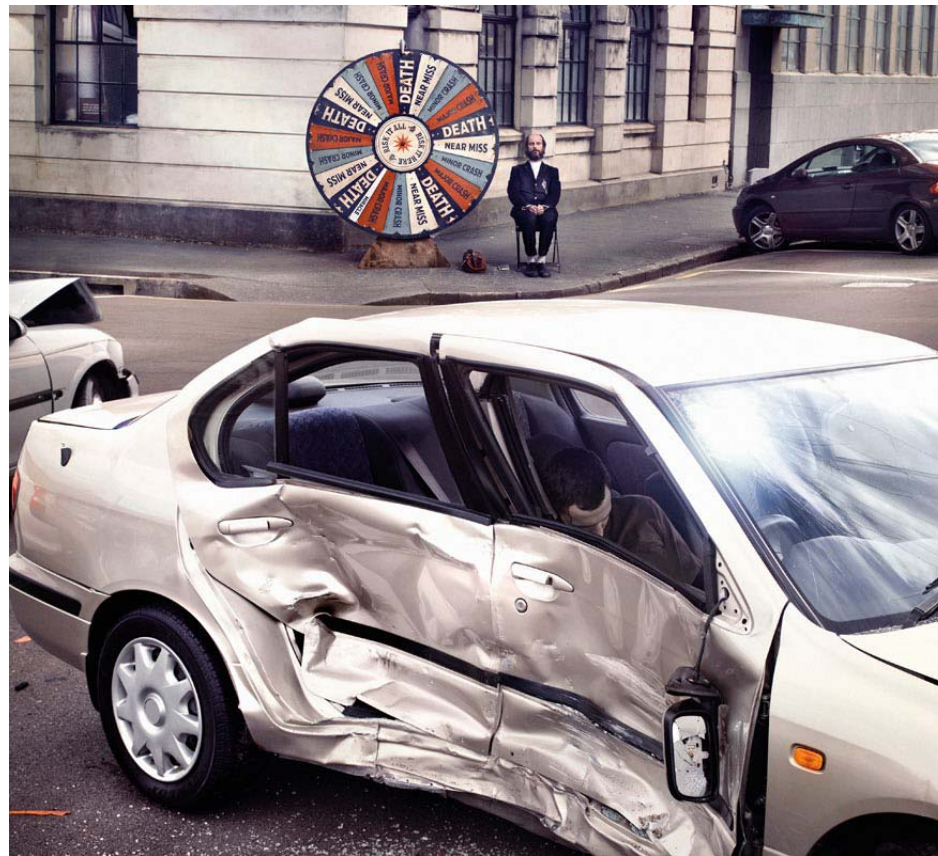

1: Modal shift

Getting freight and people to use a wider range of transport modes

2: Safer travel

Helping to make all journeys safer

3: Streamline funding process

Making the process easier and more predictable

4: Value for money

Developing different approaches
to achieve more

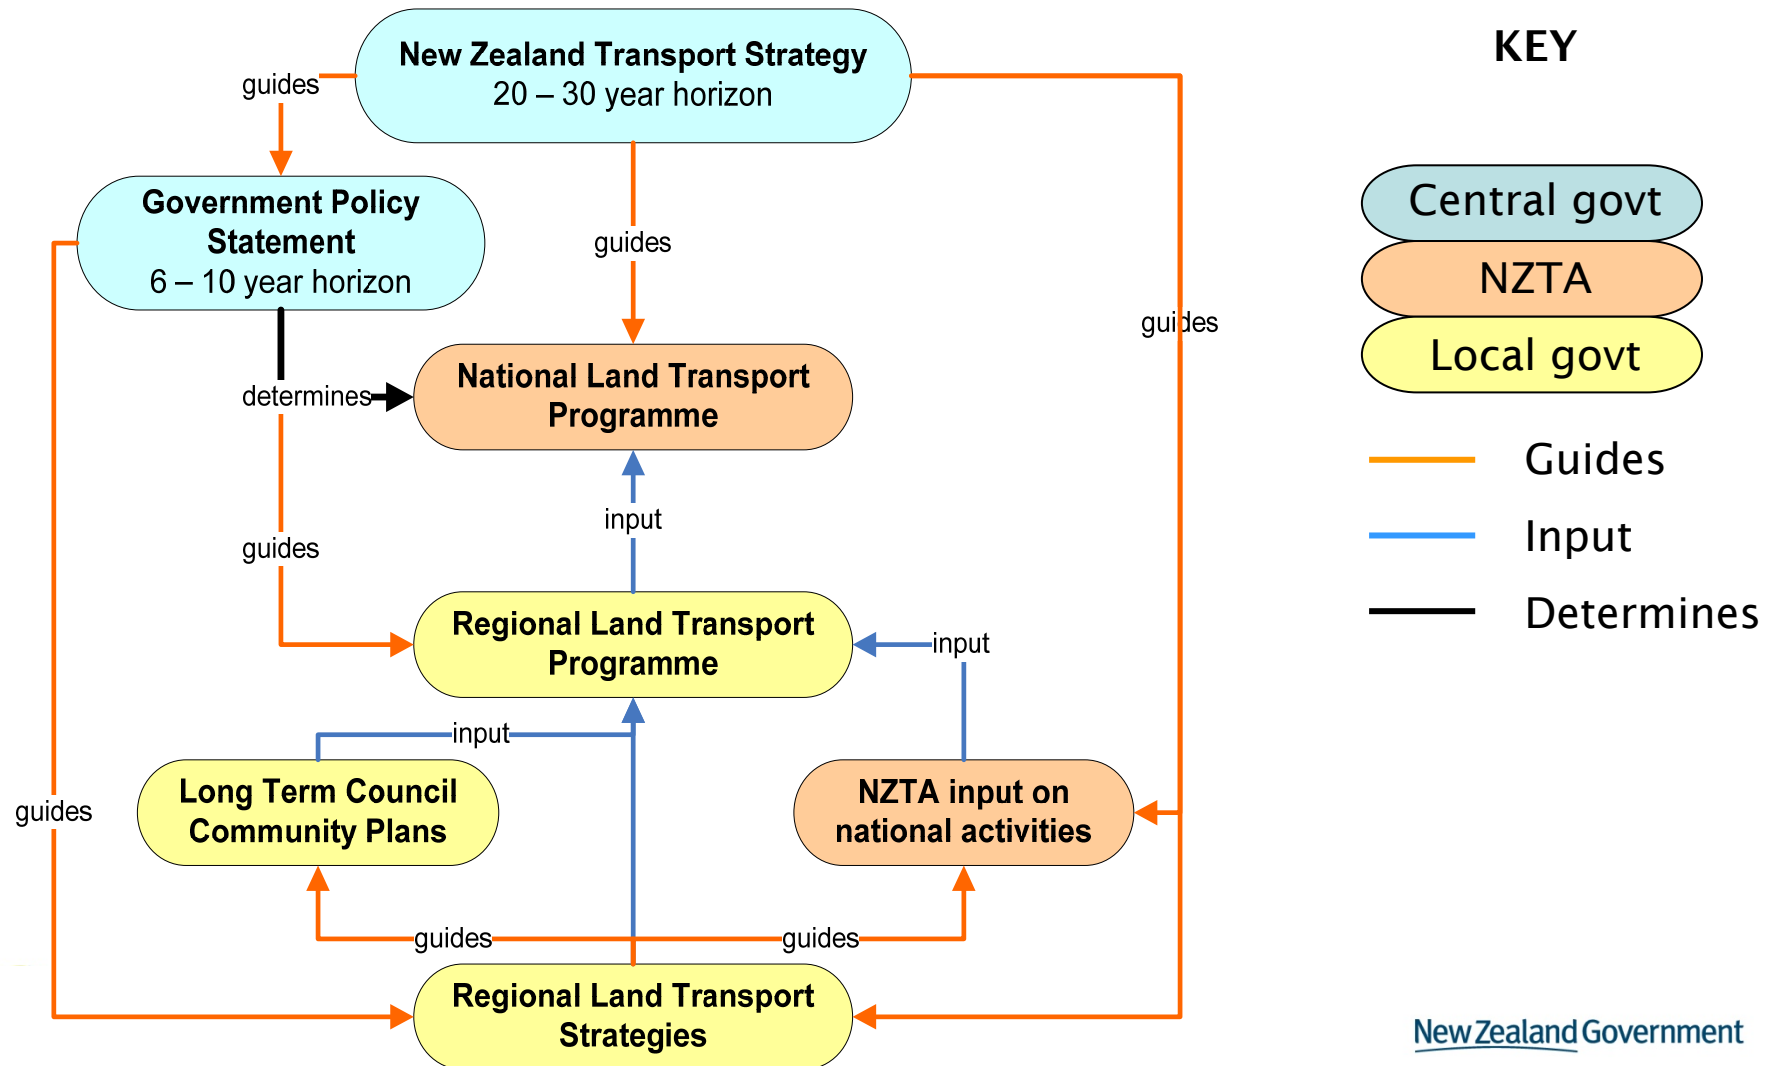

5: Building stronger partnerships

Working with partners for better transport outcomes

Planning & programming from 1 July 2009

Optimizing investment

Upcoming milestones

- Information sheet in conference pack
