Engineering Cadet

Council is seeking a keen enthusiastic person to take on a cadetship in Civil Engineering.

You will report directly to Council's Asset Strategy Manager for study purposes and for work experience in the design, operation and maintenance of Council services and roads.

Your excellent communication skills will need to be supported by a minimum of NCEA Level 1. A study plan with appropriate goals will be agreed as the pathway to your Diploma in Engineering (Civil).

Applications close at 4.00pm on Friday 20 March 2009.

For enquiries please phone Carol Hamilton on (07) 885 0741. You **MUST** complete Council's standard application form.

To apply and view the job description:

Visit Council's website - www.southwaikato.govt.nz

OR telephone (07) 885 0340

OR call at the Council Office in Tokoroa or Putaruru for an information pack.
