

Caring for Northland and its environment

ENVIRONMENTAL MONITORING OFFICER

WATER QUALITY / LAND USE • 12 MONTH FIXED TERM

The Northland Regional Council has a fixed term vacancy for an **Environmental Monitoring Officer – Water Quality / Land Use**. The purpose of the position is to implement and report on water quality wastewater discharge and earthworks compliance monitoring programmes and related enforcement with the emphasis being on water quality and wastewater. The position is with the Council's Environmental Monitoring team based in Whangarei.

We are seeking an enthusiastic person with a tertiary qualification relevant to the position and preferably, experience in wastewater treatment or sediment control. Applicants must also have good communication, interpersonal and computer skills.

In return, the Council offers a professional and challenging work environment, and a lifestyle and region few have the opportunity to experience fully. A remuneration package will be offered appropriate to the skills and experience brought to the position.

To find out more about this position, including a copy of the application form, person specification and job description, visit our website: **www.nrc.govt.nz/jobs** or contact any of the Northland Regional Council offices. Applications in writing accompanied by curriculum vitae and a completed application form close at **5.00pm Thursday, 2 April 2009** and should be addressed to: Ms Judy Macdonald, Human Resources Manager, Northland Regional Council, Private Bag 9021, WHANGAREI 0140. Ph: 09 438 4639 Fax: 09 438 0012 Email: mailroom@nrc.govt.nz
