

## Local Government KnowHow Pricing Schedule

We hold workshops across the country, throughout the year. In addition to scheduled workshops, we also run in-house, own-council training sessions for groups of more than 13. These private workshops allow you to focus on your council's unique needs and can save you money by reducing travel expenses. See below for fee information. *(Please note that catering costs are not included in the in-house, own-council training option.)*

Visit [www.lgnz.co.nz/knowhow](http://www.lgnz.co.nz/knowhow) for registration and more information.
