

## Additional Resource Information can be found at:

- Climate change effects and impacts assessment - prepared by NIWA, MWH NZ Ltd and Earthwise Consulting Ltd, for the Ministry for the Environment, May 2004. This report can be found at: [www.climatechange.govt.nz/resources/local-govt/effects-impacts-may04/index.html](http://www.climatechange.govt.nz/resources/local-govt/effects-impacts-may04/index.html)
- The view from the Ground: A farmers perspective on climate change and adaptation - prepared by Gavin Kenny and Mark Fisher, 2003 can be found at: [www.climatechange.govt.nz/resources/local-govt/view-from-the-ground-jul03/index.html](http://www.climatechange.govt.nz/resources/local-govt/view-from-the-ground-jul03/index.html)
- Incorporating climate change into stormwater design - why and how - prepared by H Shaw (URS New Zealand Ltd), A Reisinger and H Larson (Ministry for the Environment) and C Stumbles (Northshore City Council). This report can be found at: [www.climatechange.govt.nz/resources/local-govt/stormwater-design-mar05/index.html](http://www.climatechange.govt.nz/resources/local-govt/stormwater-design-mar05/index.html)
- A methodology to assess the impacts of climate change on flood risk in New Zealand - prepared by NIWA for the Ministry for the Environment. This report can be found at: [www.climatechange.govt.nz/resources/local-govt/impact-climate-change-flood-risk-jul05/index.html](http://www.climatechange.govt.nz/resources/local-govt/impact-climate-change-flood-risk-jul05/index.html)
- Impacts of climate change on New Zealand and the required response: An engineering focus on coastal margins, human settlements, infrastructure and water resources - by JDN Gluckman and CA Boyle, published in IPENZ engineering treNz 2003. This report can be found at: [www.ipenz.co.nz/IPENZ/Forms/pdfs/TreNz3.pdf](http://www.ipenz.co.nz/IPENZ/Forms/pdfs/TreNz3.pdf)
- Impact of climate change on long-term fire danger - prepared by NIWA for the New Zealand Fire Service Commission. This report can be found at: [www.climatechange.govt.nz/resources/local-govt/long-term-fire-danger-may05/index.html](http://www.climatechange.govt.nz/resources/local-govt/long-term-fire-danger-may05/index.html)
- Changes in drought risk with climate change - prepared by NIWA for the Ministry for the Environment and Ministry of Agriculture and Forestry, May 2005. This report can be found at: [www.climatechange.govt.nz/resources/reports/drought-risk-may05/index.html](http://www.climatechange.govt.nz/resources/reports/drought-risk-may05/index.html)
- Coastal Hazards and Climate Change - A guidance manual for local government in New Zealand - prepared by NIWA, BECA Consultants Ltd, DTec Consultants Ltd and Tonkin and Taylor Ltd for the Ministry for the Environment, May 2004. This report can be found at: [www.climatechange.govt.nz/resources/local-govt/coastal-hazards-may04/index.html](http://www.climatechange.govt.nz/resources/local-govt/coastal-hazards-may04/index.html)
- Assessment of potential sea levels due to storms and climate change along Rodney's eastern coast, prepared by Tonkin and Taylor, commissioned by Rodney District Council, July 2005. This report can be found at: [www.rodney.govt.nz/services/sea\\_levels/sea\\_levels.htm](http://www.rodney.govt.nz/services/sea_levels/sea_levels.htm)
- Climate change: likely impacts on New Zealand agriculture, prepared for the Ministry for the Environment, September 2001. This report can be found at: [www.climatechange.govt.nz/resources/reports/impacts-agriculture-sep01.pdf](http://www.climatechange.govt.nz/resources/reports/impacts-agriculture-sep01.pdf)
- Local Government Workshop: preparing for climate change, October 2004  
The reports of this workshop can be found at: [www.climatechange.govt.nz/resources/local-govt/workshops/index.html](http://www.climatechange.govt.nz/resources/local-govt/workshops/index.html)

- Adapting to the impacts of Climate Change - What role for local government? February 2002 workshop. The report can be found at:  
[www.lgnz.co.nz/library/files/store\\_001/impacts-of-climate-change.pdf](http://www.lgnz.co.nz/library/files/store_001/impacts-of-climate-change.pdf)

The UK Climate Impacts Programme website ([www.ukcip.org.uk](http://www.ukcip.org.uk)) is a useful resource containing adaptation reference material like the following documents. You need to register on the website to download documents. However, registration is free.

“Adapting to Climate Change: A checklist for development - Guidance on designing developments in a changing climate” November 2005

“Climate Change and local communities - How prepared are you?” July 2003
